# GAMEChangers™

How these experts are **Changing The Game** when it comes to business success!

**Julia Antufjew**

**CEO, QUANTUMFACTORY**

"QUANTUMFACTORY is a German operated fashion accelerator and garment manufacturer for emerging fashion designers. We provide the all-in-one solution to launch new fashion brands. We change the game with our unique hands-on lean market entrance program for emerging designers, which minimizes initial investment and secures revenues from the very moment of the brand launch. You design—we accelerate—you go quantum."

**Ramon Cabreja, M.D.**

**MEDICAL DIRECTOR, THE SURGERY CENTER AT DORAL**

"A relentless focus on great outcomes embodies our game-changing practice. Our commitment to people has inspired us to use new technologies in improving surgery and anesthesia, which has revolutionized the surgical experience and led to our success in getting patients back to their lives, families, and jobs. Our common thread is the desire to do great for each patient."

**Mark Fried**

**PRESIDENT, TFG WEALTH MANAGEMENT**

"Changing the Game starts with understanding your client's specific goals and needs and putting them above everything else. Especially when it comes to understanding how the financial world is changing. Traveling the road to a secure, independent retirement requires an advisor with the unique skills and background to not only manage your money, but also let you enjoy your retirement."

**JOHN HOLT**

**PRESIDENT, HOLT ELECTRICAL CONTRACTORS, INC.**

"Our 'Game Changing' approach at Holt Electrical Contractors is our customer centric values. We believe that always exceeding client expectations is the key to positive relationships, which benefits all involved parties. In order to find success, you must be willing to always adapt to changing customer needs and provide quality services 100 percent of the time."

**Siou-Foon Lee**

**FOUNDER & CEO, FENGSHUI INNOVATIONS,  
FENGSHUI MASTER, CHINESE META-PHYSICS CONSULTANT**

"In winning big, Chinese Meta-Physics is used as a tool for success. Businesses take the start up system seriously, as result-oriented outcomes are achievable. Qi Men Dun Jia, Fengshui and Chinese astrology are ancient traditions used to solve modern day challenges. Using this approach to wealth/work/life balance and auspicious timing to "Change The Game" makes all the difference in achieving business success."

**Jace T. (JT) McDonald**

**BUSINESS DIRECTOR OF FINANCIAL SUCCESS  
ASSET GROWTH & PROTECTION**

"If there was a better way to do something, would you rather know the first day or the last? Being self-employed has taught me the need for better financial ideas, non-traditional and alternative wealth options to create asset growth and protection of what you're working hard for. Our work includes helping businesses and Indian Tribes create revenue success."

**Bryant Meyers**

**CEO, ENERGYWAYS  
AUTHOR OF "PEMF - THE FIFTH ELEMENT OF HEALTH"**

"PEMF (Pulsed Electromagnetic Field) is changing the way people are taking responsibility for improving their health. PEMF is essential for health just like food, water and oxygen and is proven to safely and naturally reduce pain, increase energy, athletic performance and improve sleep. Stay proactive in your healthcare and find ways to connect with the natural energy fields of the earth."

**Suria Mohd**

**FOUNDER & CREATOR, iMENTOR ACADEMY & HEAL ACADEMY**

"The secret to achieve business success without losing your soul is to be mindful to the heart and soul of the business—which is grounded in the intention, purpose and WHY the business started. Ultimate business success is one which has a WHY that focuses out, solves problems and achieves purposeful goals greater than simply dollars and cents."

**William Seegmiller**

**CEO, SEEGMILLER LAW FIRM**

"You will always win every battle if you do the right thing at the right time. The law provides the tools to make things right but our tenacity and resolve are required to pick them up to make that happen."

**Leasha West** MSFS, ChFC®, CLTC, NSSA®, CASL®, MDRT

**CEO & FOUNDER, WEST FINANCIAL GROUP, INC**

"It's never too early to begin planning for retirement. Maximizing your Social Security payments, protecting your retirement income and understanding your Medicare choices are a few key areas to a successful retirement. You work too hard for your money and even harder to set aside retirement savings—a solid and secure plan can "Change the Game" by insuring you never lose or run out of money."
